RE: Donation to Sierra High School Senior Class

Dear Sierra Foundation,

On behalf of the SHS Senior Class and the Student Body of Sierra High School, thank you for your generous donation of \$500.00. This donation will help offset the costs so that our Seniors can participate in the yearly tradition of attending Grad Night. Your donation is tax deductible and this letter may be used as proof of that donation. No goods or services were received in return for this donation.

Thank you again for your continued support and contributions to Sierra Unified School District. Your thoughtfulness and generosity help to fund student programs during these tough economic times. Go Chieftains!

Sincerely,

Teri Harrison/Account Clerk
