*"SUSD gave me the individualized attention I needed in order to be successful. Whether it was teachers bringing my homework to the hospital or guidance counselors helping me find my unconventional way to college, I always felt supported by my school."*

*Mary Aarin*

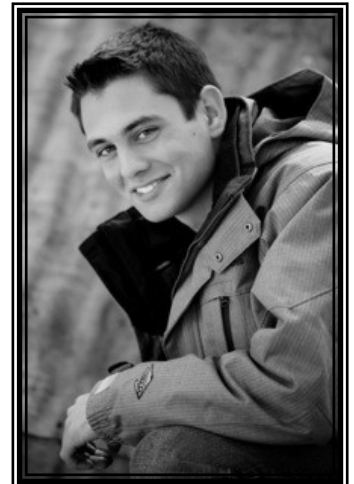

*"SUSD has prepared me for one of the top business schools in the nation, Leeds Business School. In every class I am 100% prepared for the work load and able to accomplish my goals, due to the level of instruction I had at SUSD. This allows me to make my efforts as efficient as possible so I can put more on my plate and therefore make myself more marketable in the future."*
